Operation Blue Santa

Every year , along with their guardians, select everything from toys, Rockport PD collects monetary donations to take local children Christmas shopping. The children along with their guardians select everything from toys, to jackets, and sometimes even needed groceries. This program has benefited hundreds of Rockport children in the past and we are working to continue this tradition. All donations stay within our community and directly benefit our citizens. Cash and checks made payable to Operation Blue Santa can be dropped off at Prosperity Bank.
